

In the present tense

Verbs take a different form depending on if it's a connecting verb or starts a sentence.

Looks like
MSA doesn't
have a concept of an
infinitive verb - it
keeps the connecting
verb conjugated.

→
أَنَا أَحِبُّ أَنْ أُكْرَأَ.
↑ ↑
المرفوع المنصوب

Above harakaat changes are for most conjugation subjects.
For أَنْتِ، أَنْتُمْ، and هُمْ the endings change:

أَنْتِ تَحْبِبِينَ أَنْ يَدْرُسِي.
أَنْتُمْ تَحْبِبُونَ أَنْ تَكُونُوا.
هُمْ يَحْبِبُونَ أَنْ يَفْعَلُوا أَيْ شَيْءٍ.
